Assessor Comments	25 Angus Heifers that are the top of the drop. No heifers have been sold and these are the Heifer's that were going to be retained as future breeders. Now you have the opportunity to take these heifers home and join them to the bull of your choice straight away. Cows are TeMania Blood and the Bulls are from Karoo and Trio Angus, these heifers will make excellent future matrons. 2 Heifers observed with white on udder. odd heifer starting to show signs of scratching coming out of winter so vendor will backline heifers to ensure Heifers are clean.
