Assessor Comments	On offer is an incredibly well bred line of 2nd x suckers that are by large frame Western bred first x ewes sired by Kraywood Poll Dorset rams which are a Tatty keel based bloodline. These lambs are a late March/ April drop with plenty of lambs weighing trade weight catteries now. There has been approx 15% tail removed for the balance to average 39.6 kg at assessment. Excellent quality lambs that will perform and won't disappoint.
