Assessor Comments	A nice line of White Dorper & Dorper ewes presenting in very good condition.They have been running at vendors Wanaaring property where they were bred then moved to the Eugowra property a few weeks ago.Due to the wild dog problem the vendor is moving sheep operation to Eugowra and therefore has to reduce numbers,hence the sale of these ewes.Ewes have been bred with a high emphasis on fertility,shedding and shape.An ideal line of future breeders.
