Assessor Comments	An excellent line of 2nd cross Poll Dorset suckers that average 31.2kg From one of the leading lamb producers in the O'Connell district. These suckers are out of large frame 1st cross ewes that were bred at Dunnedoo by Poll Dorset rams purchased from the Simmons family at Oberon. Lambs are showing the effect of the wet and cold conditions experienced recently and will absolutely bound away with some warm weather and a little sunshine. Lambs have been weaned and trained onto lick feeders. An odd lamb requires a market crutch and will be cleaned up prior to loading. An outstanding opportunity to purchase a line of 2nd cross suckers that will not disappoint.
