Assessor Comments	Small but nice line of 1st x ewe lambs, Sept drop June shorn. They have improved since shearing and given time through the spring and right management these ewe should continue to improve. They are breed from fine to medium wool ewes. At assessment it was noticed that 1 ewe had black spot on leg and several with spots on the ear. Please refer to photos as there are a number with dag/stain since shearing. Please call for any further information.
