Assessor Comments	An excellent run of unshorn wether lambs. These lambs are bred to fill bales and will do so with a long, stylish staple. Purchased out of the Bombala area off the renowned Inglewood flock. Bought to shear and fatten but have been forced onto the market due to tough winter and seasonal conditions. Big rebate on their back with 90mm of wool. Ideal lambs to buy, shear, fatten and kill or retain as future wool cutters. Lambs slightly washed out due to recent rain/snow. The mature Inglewood put appox 6-7kgs of 17.5-19 micron wool in the press. Should fit on 4 decks but could be a bit sulky being full wool, for a long distances. Agent can arrange freight to Riverina with weekly market trucks to Wagga. Please note: One lamb with bigger horns. Can be removed at delivery if desired.
