Assessor Comments	Presenting 175 Dorset cross lambs that are October - November drop. These lambs are ready to be finished and have time to grow into heavy trade or export weights. There shorn, drenched with plenty of bone and length to continue growing . Lambs did it tough before weaning then were weaned onto cereal crops and havent looked back since. These lambs would not take much finishing and are a quick turn over opportunity for lamb traders. please note: 5 horned lambs and 4 with scurs as can be seen in photos.
