Assessor Comments	A good line of merino wether lambs, medium frame, in store condition. They will benefit greatly from a fresh paddock and would be ideal to finish as trade hoggets or to grow out as wool cutters that will cut plenty of wool. Please see most recent wool results in photos. There 1150 wethers in this mob, to be sold as 2 lots of 350 and 1 lot of 450, a run out the gate. Please note wethers have been crutched since photos were taken.
