Assessor Comments	A great opportunity to secure a line of vendor bred wether lambs. These lambs are Sohnic blood, September 2020 drop, mulesed and May shorn. These lambs have been in the feedlot for 6 weeks on Beans, Barley and cereal hay. This mob of lambs would be ideal to take home and finish in the feedlot as they are grain trained or grow out as wool growers. These lambs weighed between 30 - 54kgs to average 42.8kgs full at assessment. There has been a small tail removed. *Please note there is a small percentage of lambs with green and white tags as vendor ran out of purple tags at marking*
