Vendor Comments	Annual sale of our Xbred sucker lambs
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	An excellent line of xbred sucker lambs that have done very well for previous purchasers and have done extremely well for the Battersbys themselves when they have kept them.These lambs are out of very large frame Poll Merino ewes by very good Willochra Suffolk rams. Lambs have been vaccinated and crutched and are ideal to turn out and value add as suckers or will grow onto be excellent heavy weights. Long Valley has another 170 lambs in this sale. some lambs still have stain due to the feed.
