Assessor Comments	Offering 370 young Merino ewes. These ewes averaged 46.4kg live at assessment after a big curfew for shearing. The ewes are all green tag 2019 drop and have just weaned there first lamb which can be seen in the lamb sale. They were purchased by the vendor in 2019 as lambs, grown out and lambled out as maidens. The ewes are mainly large frame and are bred from a Karbullah ewe base and by Wilgunyah sires. These ewes are the perfect replacement breeder that will be ready to join this spring. Don't miss this opportunity to purchase a line of one mark, young ewes that are proven breeders. Please note these ewes are not culls and are only being sold to keep vendor bred sheep. They are genuine breeders that have just weaned 87% from joined ewes as maidens. Also please note the lambs from these ewes are for sale in the lamb sale this week.
