Assessor	Well bred XB Ewe lambs bred from Bindaree Stud Border Leicester Rams and large frame Willandra blood Ewes. These Ewe lambs are showing good frame they are long bodied and showing good bone for their age. They would suit fat lamb production and would be suitable to join to the ram of your choice. Please note different shearing due to shearer shortages. In sample 79 lambs, 18 hoggets, 6 of these lambs were cutting. Please note additional 92 Lambs offered in same sale from adjoining property 10 kms apart.
