| Assessor Comments            | Opportunity to purchase a large line of rising two year old ewes. Ewes were bred in Barcaldine and sent down to Nyngan to grow out and join last year. All ewes were SIL to merinos as maidens and their lambs will be weaned at delivery. Noted that they are putting everything into their lambs at the moment however expect to bounce back quickly once lambs are weaned. Crutched 30/7 with a fantastic start in the fleece these ewes would happily fold into a self replacing flock or become crossbred lamb breeders as purchaser desires. Quality young ewes that will not disappoint. |                |  |           |     |      |     |      |     |
