Quality Grades	
Very Good	100%

Assessor Comments	A very good quality line of first cross ewe lambs, all one mark. They present in prime condition, and are ready for the rams come springtime. They were purchased in late January as weaners direct from the breeder. This line represents the lead 400 of 700 ewes in the drop, and is being offered as two lines of 200, a run out the gate. They have grown out well and will continue to mature into excellent medium to large frame prime lamb mothers.
