Assessor Comments	22 x Well put together ewes. Selling as lambs and hoggets but majority still have lambs teeth. These maidens have been joined to the Aussie white rams from 15/4 to the 1/7. Out of Tattykeel blood ewes and sired by Bungarley blood commercial Aussie White rams. Showing all the true attributes of the breed with length and shape of body and structurally sound. 6 of the 22 ewes I would quote as being full shedders, with the others still presenting as clean. A further 2 lots of the older ewes will be offered in this sale, also unjoined younger ewes in the lamb sale.
