Assessor Comments	20 x 2.5-3 year old Aussie White ewes averaging 68kgs at assessment. Joined to the commercial Aussie white rams from 15/4 to the 1/7. Out of Tattykeel blood ewes and sired by Bungarley blood commercial Aussie White rams. Showing all the true attributes of the breed with length and shape of body and structurally sound. 4of the 20 ewes I would quote as being full shedders, with the others still presenting as clean. A further 2 lots of the older ewes will be offered in this sale, also unjoined younger ewes in the lamb sale.
