Assessor Comments	Excellent line of SIL Poll Merino ewes that are ready to go. Typical Mid North South Australian breeders that are large frame and heavy wool cutters. Please note that all yellow and red tag ewes (2013/2014 drop) in this lot have been mouthed and are sound. A small percentage of these ewes (approx 12%) are vendor bred, the remainder are traded sheep. The rams used are good quality commercial Collinsville Poll Merino rams. Bid with confidence, these are front paddock sheep that will lamb down in November/December.
