Temperament

Yards	Crush	Paddock
Quiet: 100 head Slightly Stirry: 7 head	Quiet: 92 head Slightly Stirry: 15 head	Temperament not assessed in Paddock

The steers are generally good to handle in and throughout the yards, they required steadying through gates as normal, 15 were quick off the scales through the side gate & agitated if cornered however if handled quietly respond in kind. Very quiet when walking through the yard for photos showing normal flight zone.
