Assessor Comments	A cracking run of Droughtmaster X Steers. Steers have good bone and length and would be ideal to take through to heavy feeders or bullocks. Well bred cattle that go on to preform. Majority have tidy heads, but some steers do need to be dehorned. # Blackall weaner sale on the 26/08, if needing more cattle to top up decks or to link in with for freight. # Antibiotic free & eligible for grass programs.
