Assessor Comments	A very good quality line of red Santa Gertrudus heifers that are ready to excel. These females are all no.0's, presented in store condition and will grow out to perfect feeders, fats or replacements. Vendor has pre-treated heifers with Genesis pour on for buyers convenience in clearing. One heifer has some fly rub on the neck, one with very slight enlargement of the navel (photo attached for reference), one heifer with no brush of tail. Heifers of these quality are hard to come by and are an opportunity not to be missed.
