Temperament	Yards	Crush	Paddock
	Quiet: 19 head	Quiet: 18 head Slightly Stirry: 1 head	Temperament not assessed in Paddock
	Cattle worked well through yards and crush, have had quite a bit of handling through yards. Some cattle became slightly agitated when in the crush (not unusual), when let out they settled back to the mob quickly. Overall a good mob of steers to handle.

Assessor Comments	Buyers here is a great line of good quality Angus steers that will be perfect for backgrounders to put on grass, improved pastures and crops. These steers are bred to perform and are really powering on at the moment. These steers will continue to be fed on a light weaner ration and oaten hay in the paddock up until delivery. Buyers please note out of the 19 steers there was 1 steer noted to have old blue eye scarring and 1 steer with a blue dot in its eye.
