Assessor Comments	Buyers, here is a nice line of soft flat back heifers that average 314kg. These heifers have good lenght of body with frame. These heifers are feminine types ready to join to the bull of your choice, as they have been on vendors property for over nine months. These heifers have all been mouthed with 81 been solid milk tooth and 5 just cutting with no solid 2 tooth heifers in mob. Heifers worked well through yards. These heifers would suit as replacement breeders or domestic feeder heifers.
