Assessor Comments	Buyers on offer are a tremendous line of Hereford steers. These steers were originally purchased out of the southern weaner sales as lightweight calves and have been backgrounded since. They are showing excellent softness, shape and style and will grow into an excellent run of feeders or bullocks. These steers would be ideal to put on Oats to grow out to suit the trade feeder markets or would also in time grow to be outstanding bullocks. They are an excellent quality line of steers and with the fantastic temperament they are sure to impress buyers. Please make note 4 steers had some minor blight scaring however this is of no detriment to the steers at all. An excellent run of cattle not to be missed.
