	Heifers were handled quietly up the race and through crush - brought up 1 or 2 at a time and handled very well. In the yards heifers wanted to run in a mob, especially when under pressure. Nothing was aggressive.										
Handled With	Bikes										
Assessor Comments	A good line of Grey Brahman heifers. 1 brand except for 1 head. Well grown and show good bone. Mouthed 5 heifers - all very good milk teeth. Purchased as very light weaners - 210 kgs. No bulls with them since purchase. Note - 1 heifer has a lump in front of shoulder (photo attached). Note temperament comments - heifers did run around in yards and through gateways. Handled up race and through crush 1-2 at a time - handled very well. Heifers doing well now and would suit to take through to heavier weights for feedlot/kill cattle.
