|                    | These cattle have only just been weaned and haven't had a lot of weaner education as yet; hence the temperament stats. They have a little bit of run in them but the majority are easily blocked. A couple them offence to being locked in the head bail but overall worked through the crush nicely                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                          |                          |     |                             |     |              |     |

| Assessor Comments  | A beautiful vendor bred line of top shelf, great weight for age, roomy soft females. Sired from Quality Bulls, these heifers provide an opportunity to either put straight on the grain/oats to supply the domestic markets with a premium high yielding carcass; or purchase as future breeders to deliver some top quality calves! Please note these heifers were only weaned 5 days ago and have not had the opportunity for a lot of education as yet. There is the lighter weight sisters also in the the same sale. ** There is a couple with a spot blemish in eye bit not detrimental** **These cattle were yard weaned last Sunday 15th August onto good Oaten Hay & will remain in yards & on this hay till delivery.
