Assessor Comments	21 good quality, soft, well handled Angus and Angus Cross heifers suitable for joining to the bull of your choice. Vendor has not retained any replacement heifers this year and a small tail was taken out. Vendor has bought above average priced bulls in previous seasons, paying up to \$16,000 through the dry years for quality Angus sires making these heifers suitable for replacement breeders. Please note, 2 heifers show some ear length and a small amount of navel throwing back to some Santa Gertrudis infusion in the cow herd. 1 of these heifers also has white on her udder.
