| Assessor Comments  | Buyers a good line of Angus and Angus cross weaner Steers. These Steers show good growth and weight for age. Steers have been away on agistment in the New England earlier in the year and have returned back to the Goondiwindi district and are now at "Coinda". Steers have been at Coinda now for 2 months and have really started to acclimatise and are really on the do. These Steers would ideal for a backgrounding operation to take through to heavier weights to target heavy Domestic and Export markets. PLEASE NOTE VENDOR IS OFFERING THE HEIFER PORTION IN THE SAME SALE. |     |                         |      |                                     |      |
