Vendor Comments Good steers really hitting their straps

	Steers handled very well around yards. The occasional steer came slightly agitated on scales or in force while pressure was on, but quickly calmed once removed and back in mob.		
Handled With	Bikes , Dogs , Horses		

Assessor Comments	A run of Angus steers, 13 of which were purchased ex Nundle area via AuctionsPlus on their mothers, the other 7 were purchased ex Tamworth store sale. They have been out of the oats and really hitting their straps. These steers should not disappoint given the opportunity. Please note observed at least 1 steer with slight blue eye scarring. At least 2 steers with ringworm marks and 3 steers showing some signs of rubbing. I assumed more rubbing dead hair but could be slight lice also. Nothing considered detrimental. Please note vendor has other lots in today's sale.
