Assessor Comments	A run of Angus steers, some originally purchased ex Nundle area via AuctionsPlus on their mothers, others were purchased ex Tamworth store sale. They have been out of the lucerne for last 2 weeks and going ahead.. These steers should not disappoint given the opportunity. Please note observed at least 2 steers with ringworm marks and 3 steers showing some signs of rubbing. I assumed more rubbing dead hair but could be slight lice also. 2 steers seen with warts. Nothing considered detrimental. Please note vendor has other lots in today's sale.
