Assessor Comments	Buyers a good line of young Angus and Angus/Santa X Heifers. These Heifers are all very well bred Heifers being by Texas Angus Bulls and are out of 2 very good Cow herds. Heifers were bought to retain as future breeders and are only being sold due to other agistment cattle returning home. Heifers show present as good feminine types and have good weight for age and show very good softness. Heifers would be an asset to any herd having the lead still remaining in this line of Heifers.
