Assessor Comments	A good opportunity to secure a good line of Crossbred Heifers. These Heifers show good weight for age and breed characteristics. This line of Heifers have been running on Oats for the past 6 weeks and are just showing to really be doing well from it. Vendor is only selling these Heifers to make room for others coming home from agistment. This line of Heifers is ideal for a backgrounding operation to take through to heavier weights to suit a Domestic or Export markets.
