	The Heifers handled well, a couple were a bit quick, probably due to the limited amount of handling. They are being yard weaned at present.							
Handled With	Bikes , On foot , Vehicles							
Assessor Comments	Extremely attractive well grown Heifers, Easily handled, 2 had a minor dash of white on underbellies the rest are black. The mothers are very large well managed Santa Cows (they are also very quite). The Heifers have no large ears and have taken after the sires (Wiatarra stud Angus bulls L124 & L132) I strongly recommend these heifers they are extremely impressive. There Brothers are also in this sale,
