	The Steers handled well, one was a bit quick, probably due to the limited amount of handling. They are being yard weaned at present.							
Handled With	Bikes , On foot , Vehicles							
Assessor Comments	Outstanding quality steers large framed and well grown for age. The mothers are very large well managed Santa Cows (they are also very quite). The Steers have no large ears and have taken after the sires (Wiatarra stud Angus bulls L124 & L132)I strongly recommend these Steers they are extremely impressive. There Sisters are also in this sale,
