Assessor Comments	Offering 18 x 18 quality Charbray cows and calves. The cows were 576kg live at assessment and are doing a great job on their calves at foot. The cows are 5 - 12 years old and age brands are noted in the assessment above. The calves are in great order and range from 62kg - 170kg to average 130kg. These cows are station mated with Angus bulls and will be up until delivery. These cows are large frame well boned cattle that will be very heavy cows when finished. Don't miss this opportunity to purchase this quality mob of cows and calves that will be a quick return for the purchaser. Please note 1 cow sighted with a small lump on the jaw and one cow has an old scar on one eye. Also please note the same vendor has another two mobs of weaners in the weaner sale.
