The heifers were very easy to handle, considering on the same day they were pretested and had to run up the race again. The cattle were easy to pull a single heifer off and walked away at 4 mtrs.

Assessor Comments

Extremely well grown mature 2.5yo heifers to calve down. Bought out of the Mountain Calf Sales 2020, these heifers were hand selected to suit any Breeding operation. These heifers have selected easy calving sires to join these heifers off a reputable stud. Will make outstanding future breeders, showing so much frame and growth already.
