Assessor Comments	An excellent line up of NSM Merino ewe lambs which are beginning to cut their teeth that stand in forward/prime condition & are ready to join. These ewes are one mark / vendor bred and this is the lead draft and look to be an even line of ewes. Majority bloodline is Collinsville, bred to cut a power of wool and will produce a high quality lamb. These ewes are off a reputable breeder in the district , a very classy run of ewes. Please note buyers sisters are in the same sale 2 x lots of 300 and will be a run out the gate if sold separately.
