Assessor Comments	"Property sold". A chance to secure this unique trading opportunity to capitalise on what is shaping up as a great spring. These ewes and lambs are well bred, predominantly large frame ewes with cracking Aberdeen & Barwon Poll Dorset X lambs at foot. The Jones' have always prided themselves on their prime lambs and have supplied top quality heavy export lambs into the Wagga market for some years. The successful buyer will be rewarded with 153% 2ndX lambs at foot, on the cusp of spring in truly buoyant prime lamb market conditions. Ewes were wet/dried at assessment, & dry ewes were removed. Please note 8 lambs missed lamb marking but have been tagged. Ewes missing tags were tagged with post breeder tags and age on these was estimated. These sheep have been in and out of yards a lot recently and as a result the very odd ewe is slightly tender footed but confidently assessed as fit to travel. 1 ewe is missing 1 ear. A quick return on investment available for the astute purchaser.
