Assessor Comments	A very nice line of 233 1 year old Merino ewes that present in magnificent condition, the vendor purchased these ewes as mixed sex lambs from the Katanning area in W.A last year as a complete drop, this is the tops of the drop with a small tail removed. There was lice in these ewes at shearing time so the vendor treated them with Maverick and put them in a containment yard to help clean it up, no lice found at assessment.
