Assessor Comments	Buyers a great opportunity to secure a good quality 2 deck line of Angus Composite 5-8mth PTIC heifers with all their lives in front of them. This is the colored line out of vendors replacement heifers only being sold due to a change of direction with their property. Heifers in tight calving window with several springing heifers removed at assessment due to fit to load standards. They are by Gidyea Brangus and Ultrablack Bulls out of good Angus composite, Santa, Charolais and Simbrah cross cows and would be an asset to most breeding herds. Please note several had slight lice rub marks coming out of winter and 1 with slight blight scarring neither considered detrimental. Vendor has 3 deck line of black sisters in this sale
