Cattle can behave quite differently in strange surroundings so buyers must be aware of this possibility. (Please note, 3 cows slightly stirry in yards and 3 cows slightly stirry in crush).2 cows stirry in yards and crush. Buyers advised to allow these plenty of time to settle and mother up at receival.

Assessor Comments	Buyers a line of good Cows and Calves. These have been great breeders for the vendor. Cows will suit fatteners to spilt calves off of and do a job on both. Plenty of life left in the younger cows and all older cows are strong and healthy and ready to rear their next calf. Buyers please note, there were 2 cows with rub on them, 1 cow with bottle teats, 2 cows with capped hips (not lame), 1 cow with a floppy ear. Vendor has 3 other mobs in the same sale
