Assessor Comments	Here is a line of PTIC shorthorn heifers with A Grade breeding. These heifers present in fresh store condition averaging 476kg. Heifers have great length of body, bone and muscle but all being nice feminine types. Heifers are bred in the purple being out of the Deepwater Farming cow herd with years of breeding and investment by The Grove & Yamburgan stud sires. These heifer are very fertile being 3 to 8 month PTIC with 16hd 5 months plus and 10hd 3 to 5 months. Heifers where very quiet to work through yards. Note 4 heifers had old blight scaring but not detrimental. Vendor has other heifers in same sale.
