	Cows were good to handle at assessment considering they have been through the yards 3 times prior with pretesting etc. Cows were looking to get out of the race (as to be expected), once the Cows were out of the race they were very good to handle.					
Handled With	Bikes					
Assessor Comments	A good line of Santa and Droughtmaster cross Cows what are PTIC to Santa Bulls. Cows are predominantly large to very large frame with not to much condition on them. Cows are ideal to Calve down over what is shaping up to be a good Spring and put on a Summer crop to fatten and split or re-join to a Bull of your choice. At assessment noticed 1 Cow with an old scar on eye but is not detrimental.
