Assessor Comments	An Outstanding Line of Angus Heifers and calves. Heifers present in store condition, showing the effects of the last few months weather putting everything into their progeny. Calves present in fresh sappy condition with Heifers showing a good amount of milk underneath them. Opportunity to secure a line of Front paddock females with all their lives in front of them. Please note two heifers are showing white in front of their navel. Heifers are in a mob of 24 with a Group average of 432kgs, heifers will be sold as a run out the gate and mothered if purchased in separate lots.
