Assessor Comments	On offer are a MARVELLOUS line of 20 Station Mated Angus Heifers that are 14-16 months of age and average 425kg curfewed weight. Heifers are Dunoon, Rennyalea & Alloura Angus blood lines and are wonderfully bred, FRONT PADDOCK cattle. These Heifers were purchased on auctions plus in mid may and have since been joined to Angus & Limousin Bulls from the 23rd of May, until time of assessment. Both bulls are Stud sires and as shown in the photos, they are of high caliber. They have both joined first calving Heifers in the past and have had successful results. A great opportunity to secure some HIGH CLASS Heifers destined for a bright breeding future. BUY WITH CONFIDENCE
