Handled With	Quiet temperament cattle. Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	A very good quality line of Angus heifers that show great stretch and bone for their age. The heifers show quiet temperament and are PTIC to low birth weight Rennielea bulls. There is approximately 4 heifers that have a small amount of white underneath and 1 heifer that has a slight scar on an eye which is not detrimental. These heifers will grow into top quality matrons.
