	Cows were a pleasure to handle, they worked through the yards very quietly .Cows are always handled in a quiet and controlled manor allowing you to walk through them with confidence					
Handled With	On foot , Vehicles					
Assessor Comments	A good line of Angus cows that are pregnancy tested to the Boonaroo Angus bull K179, For a short 5 week calving period starting approximately 25/09/21, Cows are in the prime of there lives being 4 to 7 years of age, , There is 1 cow that is a Baldy cow the rest are pure Angus, All are vendor breed and have reared a calf every year. The cows were a pleasure to handle and are very quiet, They are only being offered for sale as the vendor is tightening his calving pattern and these cows are at the end of the spring calving cycle
