Assessor Comments	A good quality line of wether lambs sired by leading Border leciester rams out of large frame Calcaling blood western Australian bred ewes. Lambs will be weaned onto the truck at delivery. Lambs have had a good start given the season they have experienced and present in forward condition. Given the right opportunity these lambs will grown into ideal export weight lambs, they show good growth for age and length of body. Lambs would benefit from shearing coming into the warmer months 25% tail removed from this line, and vendor offers another lot in this sale to make up four decks. Two lambs carry old fly strike above tail. Please not specific delivery day
