Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	On offer is a complete drop line of mixed sex White Suffolk lambs. These lambs like most this winter have done it tough with the wet weather and with some sun light and a good drench would power ahead. Lambs display stain and dag which I believe it would be an advantage to crutch or shear them straight away.
