Vendor Comments	Annual sale of our wether sucker lambs
Assessor Comments	A magnificent line of 870 May/June 2021 drop Benilkie bred, Alma blood merino lambs. These lambs will be split and sold as two lines of 435 head run out the gate. Big plain bodied with great length and frame they would be ideal each way lambs to put away and grow out and be sold as heavy kill lambs or kept for wool cutters. Some of the lambs have horn from merino background but the vendor has been using Polled Alma rams for 18 years.
