Vendor Comments	Annual sale of merino wether lambs. Usually sold privately but this year they are available for your competition. Flock average 20-21 micron.
Assessor Comments	Humewood is offering 6 decks of wether lambs - tops of the drop. Bluebush blood wether lambs straight from the renowned Hay district. These wether lambs have had a great start as is evident by their weight and shape for age. A 10% tail was drafted out of this line prior to assessment. At assessment lambs weighed 30-52kg to average 38kg after a delivery adjustment. The lead of this draft are killable now and will top up to heavier weights quickly given spring is upon us. Suited to a kill trade or even to run on as wool cutters. Typically purchased by repeat buyers with raving reviews. If delivery could be organised around shearing that would be appreciated. Quality plain bodied easy care wethers. Long in the body and deep in the barrel.
